

March 2024

Winter Road Run 2024

www.1020mg.org.uk

Chairman's Chat - March 2024

I hope everyone is feeling energetic this month as the March club night will feature Line Dancing with audience participation.

I know a few members are regulars at Line Dancing so I am hoping they will be first up onto the floor followed by other volunteers (insurance for hip replacements not included).

I must admit that I am not entirely a novice at putting my best foot forward as I once took part in a Line Dancing class led by none other than the late Lionel Blair while attending a car manufacturer launch - quite what it had to do with the unveiling of a new SUV I never did find out.

As well as your Stetsons and boots, why not bring along something for the March raffle which will have a Spring theme - plants and gardening tools most welcome. Hand them to Jackie on your arrival.

PACKED EVENTS PROGRAMME

As you will see later in this newsletter we are arranging a busy programme of shows for club members to attend starting in April and running through to September. While committee members are involved in co-ordinating our club stand at most of the events, I am grateful to other club members for volunteering to help out on other occasions.

Pride of place on the show list will of course be our own event at Athelhampton House on Sunday 18 August - I hope everyone has this date clearly marked in their diary.

If you are planning to attend a local car show we haven't included and would like to head-up a 1020 display let me know.

TAUNTON COACH TRIP

Before any of these shows 1020 will be out and about with the club coach trip on 14 March to the new County Classics Motor Museum at Taunton followed by a visit to a cider farm.

Places on the coach sold out within a few days and I already have reserves waiting in the wings if anyone already booked decides to drop out.

PROUDLOCK MGB

Those of you who are members of the national MGOC may have spotted that the front cover of the February issue of *Enjoying MG* magazine featured one of our club cars - the MGB of Paul Proudlock.

Paul has owned it from new and originally purchased it when he was starting a year's contract at CERN in Switzerland, but eventually stayed almost 40 years - it's a fascinating story well worth a read in full.

COBWEB SPIN

Anyone planning to take part in the Winchester MGOC Cobweb Spin at the Rural Life Living Museum near Farnham on Sunday 14 April, but who is concerned about the requirement to be on site by 9.45am, might like to know that the organisers are looking at arranging a separate parking area for those arriving later and those who need an early departure.

Participants should still be able to obtain the discounted entry price to visit the museum. Full details when I have them.

TURBO-CHARGED MGB FOR SALE

If you are in the market for a very different MGB, I spotted this one (below) for sale at the Christchurch Motor Company.

It features a turbocharged K Series 1798cc engine (quoting 200bhp although no performance figures), a six-speed Mazda gearbox, an MGC style bonnet and it has been de-bumpered.

The 1975 car was a one-man project, which was completed a couple of years ago (2,500 miles) and has featured in numerous classic car magazines since then. The ticket price is £16,995.

March Club Night - Putting your feet up

After the exertions of last month's skittles challenge, hopefully members have enough energy in reserve for this month's club night on Monday 04 March as it will once again involve audience participation.

Our special guest will be Line Dancing teacher Annette Maidment who will be introducing us to this increasingly popular keep fit activity and she will of course be looking for some individuals to help her with her demonstration.

For the uninitiated, line dancing is a choreographed dance in which a group of people dance along to a repeating sequence of steps while arranged in one or more lines. These lines usually face all in the same direction, or less commonly face each other.

Each dance is usually associated with, and named for, a specific song, such as the Macarena or the Electric Slide and is generally associated with country-western dance music but other genres are now included.

The precise origins of line dancing are not entirely clear, but it is thought that at least some of the steps and terminology used in modern line dancing originated from the dances brought to North America by European immigrants in the 1800s.

While everyone is recuperating from the exercise there will be the usual presentation on forthcoming club events and the ever-popular monthly raffle - this time it will have a Spring theme so if you want to bring along some prizes, think Spring gardening.

Sign-up for the 1020 Spring Road Run

The 1020 Spring Road Run and Pub Lunch is set to take place on Drive It Day, Sunday 21 April, and will venture further east into the New Forest with the promise of glimpses of the Isle of Wight.

Chris Adamson and Pat Lodge have planned what they hope will be an interesting and scenic 46-mile road route starting from the Sammy Miller Motorcycle Museum near New Milton.

Participants can arrive from 10am (when the Bashley Tea Rooms open) for a tea or a coffee or something more substantial before setting out - cars are asked to be away by 10.30am.

The route heads into the forest through Beaulieu (it is Simply Italian day at Beaulieu so expect to see lots of Ferraris and Maseratis on your way) and Exbury to Lepe (with views across to the Isle of Wight) and then back via Lymington and Milford-on-Sea before lunch at The Amberwood pub at Walkford.

We will have reserved tables in the main restaurant - cars should arrive between 12noon and 12.30pm and park in the designated 1020 area.

The set-lunch selection (varying prices depending on meal chosen) features roast beef, roast turkey or roast lamb with a nut roast vegetarian option.

There is also a choice of desserts: fruit crumble, bread and butter pudding, ice cream and a cheese board. Drinks should be ordered and paid for at the bar.

Menu choices must be made at the time of booking (full details on the entry form) but payment is only required on the day. However, there is a £10 per person deposit requirement (cash preferred) - this will be refunded as cash on the day.

The food deposit is in addition to the usual £5 per car entry fee which includes a road route book and rally plaque.

After lunch there is the opportunity to return to the Sammy Miller Museum (which is just a few miles up the road - directions will be provided).

The museum is offering discounted entry of £9 per person on production of your 1020 membership card (normally £13 for adults and £11 for seniors).

Entry forms are available from Chris Adamson at the March and April club nights (or via email: chris@1020mg.org.uk) - entries close on Monday 01 April.

Show Time 2024

Bournemouth & Poole MGOC is planning to have an official presence at several local shows this year, many of them new to 1020 - **a list of which can be found below**. Details on individual events and how you can book to take part will appear in this newsletter. Information will also be announced at club nights and can be found on the home page of the club website at www.1020mg.org.uk

Sunday 07 April - Organford Classic & Vintage

Sunday 12 May - Lulworth Castle Classic

Saturday 15 June - Ferndown Fete on the Field

Saturday 15 June - Macmillan Caring Locally Summer Fete

Saturday 13 July - Westival, West Moors

Sunday 11 August - Breamore Classic and Retro Car Show

Sunday 18 August - Athelhampton House Garden Party & Picnic

Monday 26 August - Verwood Rustic Fair - TBC

Sunday 08 September - Harmans Cross Show - TBC

Organford Classic and Vintage Show

As a club we will start the show season off with the Organford Classic Vehicle Show on Sunday 06 April - if we can get at least eight cars (all ages of MG welcome) to take part we can have a reserved stand space.

Entry to the event is free for those pre-booked but cars are required to be on site by 10am. The show features classic and vintage cars and motorcycles as well as steam and traction engines, craft stalls, a fun fair, live music, beer tent and food stalls and is set in 50 acres on the Poole to Dorchester road, just after the Bakers Arms roundabout.

Adrian Mullins is co-ordinating the display (on the Sunday of the two-day event) and will be taking names and contact and car details at the March and April club nights - you can also email him your details if you wish to be involved - entries close on 01 April. Email: adrianm@1020mg.org.uk

Adrian will book everyone and their cars in with the organisers who will send him admission passes which he will then distribute to participants, via email, prior to the show.

Lulworth Castle Motor Show

Dorset Blind Association's (DBA) Motor Show, for all ages of car, returns to Lulworth Castle for its eighth year on Sunday 12 May and 1020 hopes to have enough club cars there to have an official presence at the event.

Last year over 5,000 visitors attended, there were 230 cars (ranging from classics and hot rods to sportscars and supercars) on display and it raised £22,000 for the charity - as the event is always popular an early booking is advised. This year it will be an entirely static event, the morning road run of previous years having been dropped for 2024.

Entry fee for exhibitors is £12 per person (plus a £1.70p booking charge) which includes a breakfast bap, hot drink, admission to the showground and entry to Lulworth Castle.

The showground will be open to the public from 11am until 4pm (display cars can arrive earlier) and the event also features live entertainment, a kids' fun area, street food, and stalls selling local artisan craft and produce.

Tickets for the show can be booked on-line at: <https://DBAMotorShow2024.eventbrite.co.uk>

For more information about DBA you can email: communityrelations@dorsetblind.org.uk

Club member Eddie Milligan has agreed to co-ordinate the club stand - once you have booked in for the show on-line, please send an email to Eddie with you name and vehicle details so he can advise the organisers on the number of club cars to allow space for. His email is: e.milligan666@btinternet.com

Ferndown Fete on the Field

Club members and their cars have been invited to take part in the Ferndown Fete on the Field being held on Saturday 15 June at the King George V Playing Field.

There is a £5 per car fee to be part of the Custom and Classic Car Show (in previous years up to 180 vehicles have been involved) - you are asked to register individually on-line in advance to take part with entries closing on 07 June.

Classics aged over 20 years are eligible although if of special interest and part of a club stand younger models are permitted. Gates open to exhibiting cars from 8am via Cherry Grove.

Adrian Mullins is co-ordinating the 1020 display and once you have booked your place let him know (**email: adrianm@1020mg.org.uk**) so that he can reserve space with the organisers for all our club members to be parked together.

Open from 11am until 5pm, the show features arts and crafts stalls, cakes and produce, children's rides, falconry displays, music, a dog show and refreshments.

You can reserve your place in the car show and pay your £5 entry fee at: www.ferndownandparleyrotary.org/event-details/car-show-2024-vehicle-booking

Display your MG at the Thruxton Festival

Club members interested in classic circuit racing are being invited to join like-minded enthusiasts from Wessex Vehicle Preservation Club (with your MG) on their display stand at the Thruxton Historic Festival over the weekend of 22-23 June.

You will need to book a place on-line for either the Saturday or the Sunday (or both) - for this you will need a discount code to obtain the reduced rate for exhibiting car club participants. Discounted car club tickets are £15 per adult for a one-day ticket (there is no charge for the free vehicle display pass, but each adult will require their own ticket).

Weekend car club tickets are £28 per adult (camping on site is free of charge). Children 15 and under are admitted free of charge when accompanied by an adult ticket holder.

More details about the weekend action and facilities are available online at: www.thruxtonhistoric.com

The on-track action includes single-seaters spanning the late 1960s to 1980s, stunning fifties sports cars and gorgeous GT cars plus a gaggle of Mighty Minis.

Admission includes access to the paddock where all the cars will be assembled.

If any 1020 members are interested in taking part, they can contact fellow 1020 club member Janet Palmer for full details including the discount code to obtain the reduced entry tickets, admission times etc. Email Janet at: familypalmer29@hotmail.com

MG invite to visit Exbury Gardens

Places are still available for the Winchester MG Owners Club visit to Exbury Gardens on Sunday 05 May - members of 1020 are invited to join them, and some have already booked.

They have negotiated a group discount entry fee of £10 per person (normal admission is £16 per person) and the option of a train ride (see the illustration to the left) at £5 (normally £6.50p) payment for both must be booked in advance.

Members of the Winchester club will be meeting at the Coach & Horses, 11 Southampton Road, Cadnam, SO40 2 NF at 10am for a 10.30am departure and drive to Exbury - but 1020 club members could meet the group at Exbury.

As well as the gardens and train rides, Mr Eddys Restaurant (which is outside the gardens) is available for breakfast, lunch or afternoon tea with plenty of seating both inside and outside, plus The Old Tennis Court Café which is located within the gardens and provides a useful mid-way stop.

Full details and entry forms (with payment details) can be obtained from Winchester club member John Wheeler.

Email: fjohn.wheeler46@gmail.com.

Entries close on 05 April.

Broadstone Family Fun Day

Club members have been invited to take their MGs along to the Broadstone Fun Day being held on Sunday 07 July at the Broadstone Recreation Ground, Lower Blandford Road BH18 8NZ - there is no entry fee to take part.

The recreation ground will be open from 10am until 11.30am for those drivers coming along to display their classic cars. The event will start at 12pm and no vehicle movements will be allowed on the main field from 11.30am until 4.30pm.

If you need to leave within this time drivers need to find a marshal who will be happy to escort cars from the site. Exhibitors are encouraged to display information about their vehicle.

The event is being organised by Broadstone Fields in Trust Event Association (BFITA) and they will be awarding a 'Car of the Day' prize. There are no plans for an official 1020 display area.

More details and an entry form for individual classic and premium cars can be obtained by emailing Richard Mutlow: richard@nimrod48.co.uk

BROADSTONE FIELDS IN TRUST PRESENTS BROADSTONE FUN DAY AND COMMUNITY PICNIC

Entries open for New Forest Run 2024

Our near neighbours at Southampton and New Forest MGOC will be welcoming fellow MG owners from across the region to their annual New Forest Run on Sunday 02 June.

As has become familiar, the start will be at the War Memorial Village Hall at East Boldre, where participants will sign-in and collect a route book, rally board and local information. Refreshments will be available at the start for a donation.

Cars generally arrive at East Boldre Memorial Village Hall from 08.30am onwards for registration with the first cars being flagged away at 10am.

The road route will cover approximately 75 miles finishing up at The South Lawn Hotel at Milford-on-Sea where cream teas (pre-booked at £9.50 per person) will be available.

Entry fee is £25 per car which includes the route book, rally plate and finishers plaque - the latter handed out at the finish.

Entry is limited to 200 cars. Refreshments, including bacon butties, will be available at the start for a donation.

For those in the area on Saturday the organisers hope to hold a get-together and skittles evening from 6.30pm at The Huntsman of Brockenhurst, Lyndhurst Road, Brockenhurst.

As in previous years the surplus from the day will be split between two local charities - details in the route book.

You can download an entry form at www.1009mg.org.uk/new-forest-run-2024 or request an entry form via email: nfrun@1009mg.org.uk

More To See with Exeter MGOC

Exeter MGOCs traditional More to See Road Run for 2024 is set to take place on Sunday 26 May starting and finishing at The Cullompton Rugby Club EX15 1PZ.

Entry costs £33 based on two people in a car or £30 for a single driver. This includes coffee/tea on arrival, route map, and rally plaque and a Devonshire / Cornish Cream Tea.

There is a maximum of 80 entrants for this event so an early booking is always advised.

You can download an entry form at: www.exetermgoc.com

Alternatively more details can be obtained from Exeter MGOC Area Secretary Derrick Layzell on his email: exeter.mgoc.secretary@gmail.com

Three Okefords Rally

The Three Okefords Preservation Society Annual Rally and Show is scheduled to take place on the weekend of 18-19 May at East Brooke Farm, Blandford Road, Shillingstone.

Owners of pre-2000 classic cars and vintage cars are eligible to take part in the vehicle section of the event (proof of vehicle insurance and £2 million public liability insurance is required both in advance and on the day).

The show also features military vehicles, steam engines, traction engines, agricultural machinery and tractor pulling.

All vehicles are required to be on site each day before 10am and are unable to depart before 5pm. The closing date for entries is 31 March.

For more information and an exhibitor entry form visit: www.threeokefordsrally.co.uk

Club Clothing latest

After a few failed attempts, the glitches have now been ironed out by our suppliers to allow club members to purchase official 1020MGOC branded baseball caps (see right).

These are available at £11 from Ian Hanstead at club nights - he has a batch in stock ready for takers.

The caps join the rest of the latest line-up of branded clothing featuring the new club logo (all of which are being sold at cost price to members). Examples of colours and sizes are now available to view and order at club nights.

Prices for all the items are: T-Shirts - £12 / Polo shirts - £16 (£1 supplement on sizes 3XL and above) / Rugby shirts - £27 / Caps - £11 / Full zip fleece - £22 / Quarter zip fleece - £28 / Gilet - £39 / Waterproof jacket - £36 / Padded Body Warmer - £37.

Macmillan Gold status for 1020

Bournemouth & Poole MGOC has been given Golden Partner status (in recognition of its many years supporting the charity) by Macmillan Caring Locally which is this year celebrating its 50th anniversary.

This means that the club will be invited to take part in numerous activities throughout 2024 - this has already begun with the club's regular quiz champions taking part in a quiz night on Friday 23 February, although without winning.

The next event in which members can participate is a Car Boot Sale on Sunday 16 March - £10 per car.

Later in the year, Macmillan Caring Locally hosts a Summer Fete at Christchurch Hospital on Saturday 15 June at which we hope to have a club stand and display (note this is the same date as the Ferndown Fete on the Field at which some of our club cars will already be exhibiting).

More details on 1020's participation in the anniversary events will be announced when they are available.

You can see more about the charity's events planned for 2024 at www.macmillanlocal.org/events-and-challenges/

TRs take the skittles title by two points

The skittlers from 1020 put up a gallant contest at last month's club night but were narrowly beaten by just two points by a team from the Dorset Triumph TR Register in the first of what could be a series of inter-club challenges.

The 15 a side main contest (additional club members took part in the individual top score challenge) was over three rounds and after the TRs took an early lead the MGs replied in the final leg and pegged the gap back eventually scoring 199 points to the Triumph's 201.

Top scorer for us, and top lady bowler on the night was Josephine Greenwood who notched up an individual total of 21 points including the only total clearance of all nine skittles in the entire contest.

She was beaten by a solitary skittle in the individual competition by Steve Moir from the TR Register - pictured right.

Plans are in hand for the TRs to host a return match at their regular venue later in the year.

Winter Road Run heads into the forest

The first quarterly road run of the year for 1020 brought out a diverse collection of MGs spanning more than half a century of MG production from an MGA to a new MG4.

Entrants formed a line-up that included the usual wealth of MGB Roadsters and MGB GTs and included a quartet from the Z series, an MGF, a brace of MGCs as well as more modern examples from the Chinese factory such as an MG3, ZS and GS.

Starting from Hamworthy Sports Club near Wimborne, participants departed on a 36-mile 90-minute road route heading north and east into scenic parts of the New Forest and Hampshire before finishing with lunch at the historic thatched Elm Tree pub at Hightown near Ringwood.

On route the cars formed a colourful convoy through some of the lesser travelled lanes that skirted historic Christchurch and then took in the Bolderwood Ornamental Drive before heading into sections of the Hampshire countryside - those not temporarily under water.

The day was immaculately organised by club member Stefan Morawiec who waved everyone off and was then at the pub to welcome everyone. Thanks to the staff of the Elm Tree who were at the door to greet everyone and ensure the roast lunch was served promptly.

There are now just a few weeks before we do it all again for the Spring Road Run on Sunday 21 April which is National Drive It Day - see details elsewhere in this newsletter.

SWVA Winter sale results

There was a slow start to the new year at South Western Vehicle Auctions when their first quarterly classic car and motorcycle sale took place at their new facility on the Holton Heath Trading Park last month.

A trio of MGs featured in the auction although bids struggled to reach their pre-sale reserves. Oldest entry was a 1967 MGB Roadster which had an indicated 73,721 miles on the clock and a catalogue estimate of between £6,000-£7,000.

It opened at £5,000 then struggled up to £6,300 (before fees) which made it a provisional offer.

A fractionally higher final bid of £6,350 was made for a 1978 MGB GT with 97,000 miles indicated which had been looking for a new owner at closer to £6,500.

This seemed like a bargain bearing in mind that over £13,000 had been spent on it back in 2004.

Finally, a very shabby and well used 1974 chrome bumpered MGB GT (above) with an unwarranted 44,500 miles was guaranteed to sell as it was listed with no reserve. Someone obviously thought it was worth taking a punt and put up £1,700 for it.
